## PRESIDENT'S PERSPECTIVE

By Matt Cosler

I would like to thank all the parents and players for a smooth and seamless Fall Season. The Haunted Classic was a roaring success again this year! We truly appreciate our dedicated Celtic parents for working volunteer shifts. These shifts are essential in allowing us to deliver a top-notch, efficiently-run tournament. I wish everyone a safe and happy holiday break.

## COACH'S CORNER

By Jeff Popp and Mike Tracy

On behalf of the Celtic Board and Coaching Staff, we would like to thank the Haunted Classic Committee, and all the volunteers, for the countless hours and hard work put into the tournament. A **record-breaking** 584 teams participated in a fun and exciting weekend of soccer. The Celtic organization benefits a great deal as everyone involved strives to improve our program. The Celtic Training Site will receive an in-ground water system, which will be installed this Fall. This is just another step forward in an effort to provide the best training environment for our young soccer players to grow and develop. THANK YOU!

### WINTER TRAINING

Winter Training will begin Monday, January 18, 2016. This will be a six-week program focusing on Coerver exercises and the technical aspects of dribbling, passing/receiving, and ball control.

There is NO ADDITIONAL COST to participate. Players will be divided into training groups according to calendar year. This will be the first step taken by the Celtic Club to ensure a smooth transition come tryouts in May.

## ANKENEY COMPLEX NOTES

By John Ankeney

The well has been dug for the irrigation system! (See picture right) If the weather holds up, we will begin boring the new irrigation lines, spanning the training ground, in the next few weeks. Again, these exciting projects are the direct result of the hard work that the Haunted Board Members and volunteers put forth! Thank you!
