

## Player Commitment Letter

### Players Have A Responsibility to:

- Treat Coaches, trainers, opponents and referees with respect.
- Control temper at all times.
- Play hard, but play with the rules.
- To understand that how you play is far more important than winning or losing.
- Where rules apply, try to understand them and abide by them.
- Play for the fun of it, not just to please your parents or coaches
- Win without boasting, lose without excuses, and never quit.
- Exercise self-control at all times, setting the example for others to follow.
- Respect officials and accept their decisions without gestures or argument.
- Always remember that it is a privilege to represent BSA and the community.
- Be a good sport. This means appreciating good play wither it is by your team or opponents.
- Work equally hard for yourself and your team, your teams performance will benefit and so will you.
- Co-operate with your coach, teammates, opponents, and officials, without them you do not have a game.
- Arrange schedules in order to come to practice regularly and on time, and to participate in scheduled games and tournaments.
- Work hard at practices to improve soccer skills and understanding of the game.
- Enjoy the game!

I have read and understand the above statements and agree to conduct myself in a manner that demonstrates the standards established in the Player Code of Conduct.
