PRESIDENT'S PERSPECTIVE

By Matt Cosler

I hope all of our Celtic Families had a good holiday season and winter break. The Spring soccer season is right around the corner! The Celtic Board and Staff are doing our best to make sure this is one of the most productive years to date.

The ever-revolving soccer world has again taken another turn. As many of you may already know, U.S. Soccer has changed the age matrix from the original one presented back in the fall to a new revised version. The Board has been working with the DOC's to prepare for the 2016-17 season, and we will do our best to keep you informed of the changes for next year. Please read the Celtic meeting minutes and future newsletters for important information in the upcoming months.

COACH'S CORNER

By Jeff Popp and Mike Tracy

The 2016 spring season will be here soon. As the season nears, we encourage all players to make an effort to attend the remaining winter training sessions, which run through February 24th. →

The turf practice schedule for March will be released soon. These practice sessions will be held at various locations this year, including Wright State University, Xenia High School, and AIA.

We recommend that all coaches find practice spots at local parks for additional outdoor practice, as weather permits, until Ankeney Soccer Complex opens for the season.

We wish you the best of luck this upcoming spring season. Play hard and have fun!

Ankeney Complex Notes

By John Ankeney

All irrigation lines on the training fields have been placed underground. (See pictures below.) We are currently waiting to have the electric run back to the pump and the fencing installed around the pump station. The irrigation system is expected to be fully operational by the beginning of the Spring Season!
