Please note the following BSA Celtic policies:

- Players can option to pay player fees in full at the time the position is accepted on the team, or pay fees through an installment option.
- The first installment payment for the season is due at the time the position on the roster is accepted. Failure to make the first installment payment means the player has not yet accepted the roster position on the team.
- Failure to complete monthly installment payments may result in the installment option no longer being available and the player not being able to participate until financial obligations are met.
- ALL FEES ARE NON-REFUNDABLE.
- In the case of an injury that affects more than half the season, the club may allow for a credit to be applied toward the following season's fees based on a prorated of the time missed.
- Families with 2 or more players within the organization will be eligible for a \$50 discount on player fees. The oldest player in the family will pay a full player fee, each subsequent player in the organization will receive a \$50 discount on their player fee. Academy and Junior program players are not considered part of the family discount program.
- Shift Requirements. Each player's family is obligated to work shifts at club sponsored events. These events generate income to offset club expenses, and allow our teams to play locally, saving money on personal travel expenses. The success of these events is contingent on the participation of our families. We appreciate your help in hosting competitive, quality events that teams and college coaches from across the Midwest attend.
- ****Teams may have an additional team charge added to player accounts during the 2016-2017 season depending on the overall costs associated with the individual team's leagues and tournaments. If applicable, additional team fees will be added to player accounts in January 2017.**

Check payments can be made to: BSA Celtic, P.O. Box 72, Alpha, Ohio, 45301
